

Are you a Registered Nurse looking for a supportive workplace.

Wairarapa Village provides hospital, rest home, respite levels of care and supports the DHB health recovery and palliative care respite programs. Additionally, care staff provide support to Village and Serviced Apartment residents.

We provide a homely, supportive environment created by our values of Passion, Respect, Teamwork, and Community. As a registered nurse with us, you will work as part of a team of experienced registered nurses, all of whom provide exceptional care to our residents.

About the role

We are looking for registered nurses who are willing to work both day and night shifts on a rostered basis. The special persons we are looking for will have experience in aged care or working in an adult care settings overseas. You will be part of a supportive team and have access to ongoing support, education and training to meet your professional knowledge and experience. We use MediMap for medication management and InterRai. Training is available in both these systems. If you have an interRAI qualification, this would be an advantage but is not necessary. Remuneration is from \$35 to \$40 per hour along with generous signing and retention bonuses.

There is also the opportunity for overtime and penal rates.

If you are seeking to establish a rewarding nursing career with a team that is passionate about providing high quality care, please contact Penny Goodwill, Facility Manager, 06 370 6022, or email pennyg@waiv.co.nz

Note: if you are an Internationally Qualified Registered Nurse (IQN) working overseas and want a supportive pathway to gaining your New Zealand Registered Nurse registration (NZRN) then Wairarapa Village has scholarships available. Conditions do apply so talk to the Wairarapa Village team for more information.
